

WA TIPS & RATINGS PREVIEW

Full-time professional punter Cameron O'Brien heads up the [WA Tips & Ratings service](#) for [Winning Edge Investments](#) and gives his expert insight into Saturday's Group 1 Kingston Town Classic at Ascot. Perth Carnival time is a proven money-maker for our WA guru. This time last year members profits soared to make 61 units profit (\$6,100 profit for a 100-unit member in just four months - Dec to Mar). Cameron is again firing this carnival, finding Zenaze last weekend on Winterbottom Stakes day, and backing up with winning days this week at Ascot and Bunbury.

HORSE NAME	RATED PRICE	COMMENT
GAILO CHOP	\$15.8	9yo now, went to his current best when wide in the Underwood, maps well here but may be better with a little cut out too
GATTING	\$6.6	Just OK in his two runs back in the west, maps well though and on his day can pull out a big figure
TALLY	\$59.0	Good at Rosehill two back but disappointed here in the Carbine Club, inconsistent
STAR EXHIBIT	\$15.8	Big win resuming over an unsuitable trip then a flat one 2nd up, he wants further than this again for his top but third up suited, drawn wide so goes back is a prob
BEST OF DAYS	\$8.2	Suited up to the 1800m, he closed it out solidly LST and rated well, just needs a clear passage
ACHERNAR STAR	\$30.6	Racing well and at his top but drawn the widest and will need a ripping ride to get in
PACODALI	\$30.6	Three weeks off and travelled since winning the Eclipse at Sandown, drawn wide but I map him getting in, first look Ascot
REGAL POWER	\$10.9	Strong win from near last in the Railway, the extra 200m suits and he should be fitter again
THE VELVET KING	\$32.6	Gets his own way in front here but a big query the 1800m for me
PLATOON	\$32.6	Closed it out well but found the winner too good in the Railway, and that is his top for mine
MISSISSIPPI DELTA	\$31.7	Won courtesy of the heavens opening first up 1500m and went to a new top there, needs more though
DIG DEEP	\$24.9	3yo, on the up, needs a lot but we haven't seen his top yet
JERICO MISSILE	\$31.0	Another 3yo on the up but I think he just needs too much
SUPERSTORM	\$20.0	Talented galloper who will get further in time, haven't seen his top yet, maps better
KAY CEE	\$32.1	She's racing well but pretty much at her top for mine, can't really see a new level

CAMERON'S VERDICT

A good race, the Kingston Town, it usually is. There are a few key winning hopes for mine, chiefly the top 6 in my market. I think TUSCAN QUEEN is unders, though deserved top rater. big value in the enigmatic GATTING for mine, and might be value in BEST OF DAYS and REGAL POWER too.
