RACE OVERVIEW:

A really good Group 3 sprint and I lean to **Deprive** over his stablemates **Kementari** and **Trekking**.

Deprive absolutely excels at Randwick, especially at 1200m and with James McDonald on I expect him to get a trail in the second half of the field and be able to unleash his terrific turn of foot.

Kementari did nothing wrong first up and has a chance, while **Trekking** probably has to go right back from his gate.

I'm likely to save on **Greyworm** who I think is the best of the on pacers.
